Why Health Care at MIT Sloan School of Management?

• Mission Driven School: To develop principled and innovative leaders who improve the world and to generate ideas that advance management practice.

• Strong interest among students about existing and emerging career paths. Many MD’s enrolled in our degree programs.

Why Health Care at Sloan?

• *MDs seek MBAs as health care gets more complex*  By Francine Russo | Kaiser Health News July 21, 2013

• *Restaurant chains have managed to combine quality control, cost control, and innovation. Can health care?*  by Dr. Atul Gawande

• *7 Countries With the Highest Health Care Costs*
  – The U.S. Spends 17.9% of its GDP on health care. That's $8,680 per person -- 61% higher than the next-highest nation. However, Americans' life expectancy of 78.7 years places 27th among OECD members and is over a year less than the OECD average.  by Keith Speights, The Motley Fool, June 15, 2013
